Portfolio: (Under Development)

## PROFESSIONAL SUMMARY

Frontend developer with hands-on experience in React, Tailwind CSS, and modern JavaScript. Skilled in creating responsive UI components, improving user experience, and collaborating in team-based projects. Looking for an internship to further enhance technical skills and contribute to impactful digital products.

## EDUCATION

### Bachelor of Computer Science and Information Technology

Himalaya Darshan College, Tribhuvan University

Expected 2026

## TECHNICAL SKILLS

- Frontend Development: HTML, CSS, JavaScript, React, Tailwind CSS
- Tools & Platforms: Git, GitHub, VS Code, Figma, Canva
- Other Skills: REST API Usage, Responsive Design, UI/UX Basics

## PRACTICAL EXPERIENCE

### Asset Track

Final Year Project

Intangible Fixed Asset Tracking system.

- Developed a full-stack application using React and Tailwind CSS for the frontend.
- Implemented core tracking features and responsive user interface components.
- Tech Stack: React, Tailwind CSS, .NET

### Bike Rental System

A bike rental management platform with dynamic UI.

- Built an interactive frontend with smooth animations using Framer Motion.
- Focused on user flow and form handling for rental transactions.
- Tech Stack: React, Tailwind CSS, Framer Motion

### Weather App

A simple and clean weather application with real-time data.

- Integrated a public weather API to fetch and display location-based forecasts.
- Designed a minimalistic, user-friendly interface with pure CSS.
- Tech Stack: React, CSS, Weather API

### Todo App

A daily task management tool with persistent storage.

- Created a functional task manager with add, edit, delete, and mark-complete features.
- Utilized browser's local storage for data persistence across sessions.
- Tech Stack: React, JavaScript, Tailwind CSS

## ADDITIONAL QUALIFICATIONS

- Strong problem-solving skills with a keen eye for detail in UI implementation.
- Passionate about writing clean, maintainable code and following best practices.
- Effective collaborator, experienced in working within team-based project environments.
- Quick learner, eager to adapt to new frameworks and development tools.
